2.) The RM sends out a little more stern 'second notice.' Once again, hopefully, the problem gets corrected and that's the end of it;

3.) Touchstone sends a third notice along with a fine TO THE OWNER OF THE PROPERTY. At any point in this process, the owner or resident can appeal the notice to the Board.

Getting on the Agenda

Whatever the objective truth, it is the Board's opinion that the best thing we can do for our community is to sit down together, have a polite discussion and practice a little ho'oponopono (healing).

There will be a Talk Story Session on Sunday, July 10 at 5:00 pm at the Clubhouse. Everyone is invited.
