THANKS

We want to thank all of the people who pitched in and served this last year. By our count, more than 50 people pitched in by serving on committees, helping out on the Kokua Clean-Up Day, joining Neighborhood Watch or orchestrating one of the social events over the last year.

In addition, we want to offer a special thanks to Wendy D'Innocenti who recast the role of Secretary by helping to keep the staff and the board members on track. Without her diligence, we couldn't have been nearly as effective.
